

Dear FCC,

The purpose of this email is to let you know that I benefit from listening to XM Satellite Radio and its traffic and weather channels.

Satellite Radio provides variety and quality that are not available on FM or AM stations. I pay for these services so ,therefore, it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. Therefore, I respectfully urge the FCC to reject the NAB's petition 04-160 and support XM's ability to provide the kind of Quality Programming that I demand and deserve.

Thank you for your time.
